Title: INTEGRATED CIRCUIT AND METHOD  
FOR BRINGING AN INTEGRATED CIRCUIT TO  
EXECUTE INSTRUCTIONS

**AMENDMENT and RESPONSE PURSUANT TO 37 CFR 1.111 and 1.121**

Mail Stop Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

In response to the Office Action of **February 22, 2005** and to the **Notice of Non-Compliant Amendment** of **September 23, 2005** the Applicant hereby resubmits in their entirety the non-compliant sections identified in the Notice of Non-Compliance as attachments to this communication as follows:

1. **Corrected Amendments to the Specification** including a replacement Abstract on a separate attachment page and comprising in total two pages with the page numbering of corrected amendment to the specification corresponding to that of the originally filed amendment; and
2. **Corrected Amendments to the Claims:** including a complete listing of all claims and comprising in total four pages with the page numbering of corrected amendment to the claims corresponding to that of the originally filed amendment.

The format in which these corrections is submitted including the submission as separate sections rather than a resubmission of the amendment as a whole, is a result of extensive review of the Notice, the relevant sections of the MPEP, the 'Officeflyer.pdf' document referred to in the notice, as well as conversations with Gena Jones of the Office of Patent Legal Administration and via the USPTO help line with 'Larry' a former SPE who was kind enough to assist this correspondent and who went offline to consult with Joe Narcavage formerly of the Office of Patent Legal Administration who happened to be available for consultation with 'Larry'.

The Commissioner is authorized to charge any and all additional fees which may be required, including petition fees and extension of time fees, to Deposit Account No. 50-1338 (Docket No. AXISP702D1).

Respectfully submitted,  
IP CREATORS
